

# SPONSORSHIPS

## GO COLTS !!

The Atlanta Colt Youth Association is a non-profit organization staffed entirely by volunteers.

**Business and Community support is a big part of our success!!!**

Football is an expensive sport-facilities, equipment, uniforms, insurance, referees, etc. The support we receive from area businesses and the community at-large helps tremendously to offset these costs.

More importantly, the support we receive from corporate sponsors and the community helps us to offer...

## Player Sponsorships

...to area youth. This increases the diversity of the program, and also enables youth to participate that would otherwise not be able to afford the program fees.
